

EncompassPay FairCharging

Credit Card Processing that's Fair for Everyone.

Convert the high cost of accepting payments into bottom-line savings.
FairCharging creates a level playing field for everyone.

Boost your Bottom Line. Elevate your Success.

- ZERO upfront costs
- Save up to 90% off your current processing fees
- Stop paying for your customers rewards programs

Compliance Driven by Technology

- Required disclosure provided for all payment environments
- 3% Fee added to every credit card transaction
- The fee is ONLY added to Credit Cards not Debit Cards
- The Fee is broken out as a line item on the receipt

Keep it Fair. Keep it Simple.

- Customers always have no-fee payment options including; Debit Cards, ACH/Check, and Cash.
- Omni-Channel solution provides acceptance across all payment environments; Online, In-Person, and Keyed transactions
- API available for customizing the user-experience with Scalability, Flexibility, and Real-Time data syncing.
